

JURA NEWSLETTER

NOVEMBER 2020

WHAT IS JURA?

JURA is the Justice Recreation Association, established in May 2009. It caters for the recreational interests of all staff who work as part of the Ministry of Justice and its associated offices across the UK.

JURA is funded by the Civil Service Sports Council (CSSC) from the membership subscriptions of MoJ staff. In partnership with CSSC, JURA aims to help staff improve;

- Work-life-balance
- Physical health
- Emotional well-being

JURA is run by volunteers from MoJ and retired staff. Our aim is to provide sports and leisure activities and events for all JURA members.

To qualify for a funding subsidy you must be a member of CSSC.

JURA will not provide funding for non CSSC Members.

JURA & COVID-19 RESTRICTIONS

In line with the Government announcement on Tuesday 24th March, JURA suspended all of its events and activities for the next 5 months or until the restrictions were lifted.

As a result, all the events JURA planned to run throughout the spring and summer months were cancelled or postponed until later in the year.

We had hoped to be able to start our Autumn programme of events in September 2020. However, with the continuing situation, JURA has cancelled all events until 2021.

The JURA National Committee have met to discuss the 2021 Events Programme.

Check out the new JURA Website or email JURA at Jurajustice@gmail.com for further details.
